A Tale of the French Wars.

The French army is a cneamped only about a day's march from Berlin. The centinels were doubled, and the Prosein and Austrian sples were pienty and Ironbiesome. At mid-night Pierre Sancoin was stationed at e of the outposts. He was a atout boid, shrewd man, and a good soidler. The Colonel of his regiment was with he sargeant on this beat, having re-uested to be called at midnight, that

e might visit the outposts. "Pierre," he said, after the mau had heen posted, "you must keep your eyas open. Den't let even a array herse go out or come in without the pass. Do you understand?" did you say?" - lko Prince; but Ay, mon Colonel, 1 shall be

"The dogs are all round us," pur aued the officer, "and you can not be too careful. Don't trust men nor

Nover fear, was Pierre's answer, no

he brought his firelock to his shoulder, and moved back a pace. After this the gnard moved on to he next post, and Pierre Sancoin was left alone. Piarre's post was of the most important in the camp or rather around it, and he had boon placed there for that reason. The ground over which he had to walk was a long knoll, bounded at one ond by a hugo rock, and at the other stoping away into a narrow ravine, in which was a copse of whitows. Beyond this copsa the ground was low and boggy, so that a man could not pass it. The rock was to the westword, and Pierre's walk was to the outer alde.

The night was dark; huge masses left alone. Piarre's post was of the

The night was dark; huse masses of clouds fleated overhead, and cliut out the stars; and a sort of a fog seemed to be rising also from the marsh. The wind meaned through the copse in the ravine, and the air bold the lantern, while her risped was damp and chilly. With a slow, steady tread, the soldier paced his treated to the face. But they couclided not to ground, ever and along atomics.

steady tread, the solder paced his therace. But they concluded not to ground, ever and anon stopping to stop there to have ignorable isten, as the willows in the ravine tormed a fitter by crossing their mustattled their leaves, or some night kets, and having lifted the strange airbird started out with its quick flapping.

Au hour had passed away, and the they found half the solders up, wait-continual had seen nothing to create ing to find out why the gun was fred.

scutinel had seen nothing to excite ing to find out why the gun was fired his suspicious. He had stopped for a Lights were now brought, and the his suspicions. He had stopped for a moment close by the rock, when he was atartled by a quick, wild scream from the woods, and he a few moments more, a large bird flow over bis head.

"Parbleau," he uitered, after the night bird had flown over; "could mortal man have slopped that fellow passing?

Lights were now brought, and the hot was atartled by a quick, which are word as a small fellow, though apparentity some twenty years of age; but he was dead, Plerre's ball having touched his heart, or somewhere very more it. His pockets were overhauled, and in one of them was tould a cypassing?

pher, but no oue could make any-thing out of it. The Colonei took it, and directed that the body should be doue nothing wrong in, suffering the bird to pass. He had worked the bird to pasa. He had worked the length of his way two or three times, and was just turning by the rock, when he was sure he as w a dark object just crossing the flue foward the copse.

"Hold!" he cried, bringing the musket quick to his shoulder. "Hold, or I fire!"

And 'with-his piece at aim, he adsumed that the company is the company into camp. It was shot through the hoad. When the

I fire!"

And 'with-his piece at aim, he adwinced toward the spot where the
object slopped; but as he came to

disapleared one night from the pickets, and all search for him had been movelling.

"Parbleau, mon grande Prince," Plerre uttered, as though the dog could understand every word: the men will be happy to ace you where have you been so long?"

The dog made no snawer to this, save a low whine and a familiar nodding of the head.

"Now, thou amle, you just keep your slitting there until the guard comes, and then we'll go to the camp

# coines, and then we'll go to the camp together. Mind that, will you?" And with these words, uttered with solemn conplication on phasis and due meaning. Pierre started on his beat again. He had got half way in the rock, when the idea of looking around strick him, and he did so. Le Prince was moving toward the camp again. How the Confederate Chieftain. Jno. Morgan, was Gaught and

tempt to go luto the camp." Plerre had nearly reached the rock when he

hoard the movement; and on turning; "Diable!" the honest follow ustered.
"I must obey orders. "The Colonol's word was pinin. Here! Parbleau? coma here! Here, Prince! Mon Dieu! you must die if you don't!"
With a few quick bounds the seldier had got near enough to the doc. "I must obey orders. The Colonol's word was pinlu. Here | Parbiean? coma bere! Here, Prince! Mon Dieu | you must dio if you don't!"

With a few quick bounds the seldior had got near enough to the dog to fire, and as the latter stopued, he stopped.

"Mon cher ame, you must stay with me! Here! Como back! I must sloot if you don't. Parbiean! what a thing to start the whole esupitor, to shoot a dog!. a thing to start the whole easily for, to shoot a dog!

But by coaxing and threatening, the contine got the dog back to his post, and there he made him the down once mora. And thus matters rested till the tramp of the coming guard was heard. was heard.

"Ali, now Prince will be relieved,"
the soldier said, stopping near the dog. You shall go and see your old friends."

"The troops of the continuous and line to the town with a view of an angle of the two princes."

during proposition.

"Forward! Trot! Gallop! Charge!"
rang out on the air and on the ears of the startled Confedersto sentries.
They were literally ridden over by the dashing Federals and hefore Dick Mergan's isnbordinate who he had left in command got a man in the saidle, the Williams House was surrounded by Wilcox's men. They shot or enpurred the two or three for him he escaped with his hand of the call than to quicken his speed.

"Back-leack leterel"... "Back! each! Here I had lost exclama-tion was forced from Pierre's lips, by seeing the dog leap to his hind-tegs and run thus! In an lustant the truin

As Morgan stooped to pass under this in order to reach the tenee, he was also overed by Annly Campbell, a private in company 15. Thirteenth Tennessee cavalry, who fired on him. The builtet took effect in Gen. Morgan's right also and reviews are resulted to the company 15. Thirteenth Tennessee cavalry, who fired on him. The builtet took effect in Gen. Morganization of the company to the company

"Yas."

"Theu come; show as where he was."

"Theu come; show as where he was."

With this, the officer of the mounting guard pulled his iantaru from his breast, and having removed the shade, he started on. Pierro led the way to the copee, and there tie dog was found in the last arruggie of death.

"The officer escential and a squad from Dick Morgan's command were captured and rushed off toward the eastern of tramps passed through here last the first passed to th

They went pell mell through the town, filed to the right, passed out to the north, bore to the right around the high hill where the remains of Andrew Johnson ere buried, and through pretty hotty pursued by a portion of Duke's men, they recched the Bull's Gap road near the point where they had charged the rehel plake and though pretty had charged the rehel plake and the most of consolation. No much can be seen year older town, filed to the plake whipped us when we medet it out whipped us when we medet it out whipped us when we medet it out whipped us when we had said the hase of the little place. ### THE OLD OLD STORY. Who Killed Isham Dalia?

place to the northern part of the coun- will be no competition. ty last Thursday morning, 10th Inst. betore daylight, isham Dulin, tho man killed was the most prominent negro in the northern part of the countile Lotus Literary Society, on the ty' in fact he was the lender of the evening of the 24th inst. blacks and was recognized as their "biggest man," Henry Julenson, a boy about 19 years old, is now in jail, though whether he is the merderer or not le still in doubt. He was brought to the city Saturday night. He was interviewed in the jail and tohl the tollowing story :

of Iskam Dulla, and Emps Vaughan sametimes called Emps Wilson. Ned had fds father's gun on bls shoulder. They told me I had to go back with ing very fine and with a mild winter them a sicce. I illdn't want to go the crop will be trongendous. The ant they threstened to shoot me. We nerenge is also unusually large. then west back to Ishnm's house, a little ways, and Neil Duiln got Emps stood out in front and called to county should be without the organ arising from the use of gas, wi Ishan on the inside. The old man of his party. \$1.50 will pay for the answered and come to the door and South Keutuckian from now till Jan. poked out his head and Ned, blason, tiralus. He fell lorward on his face. Ned and Emps then took mo on and Johnson, and Ferguson. They both tsir. The exhibit of fine sheep and swore they saw mokill the old man cattle was very fine. and they were turned toose nul I was brought on here." This was Johnson's story, ito said Ned and his father had been living in adjoining houses, but they had fallen out about a note of some kind and Ned had anoved away. He never had a fuse with leham in his life and was forced to go along and see the killing done. He told his story straight along several times and seems to be sincere. lio is a mero boy and acems very anueli seareil.

We do not know whether his is the true version of the story or not. It publican candidates of all shades and is very likely that it is ami that the colors are as numerous as seedlicks in boy has been made uso of by the true Angust. murderers to shield thomselves from the leand of the liw. At any rate the most heartless over committed in the tris bed in the silent hours of night and shot upon his own- threshold, with, his own gun, by his own son the conventions. There are seventee without knowing . even who it was thoroughly investigated and let the that he will come out ahead. snurderer be hanged for his crimo. There are no palilating circumstance and nothing but death is sufficient punishment for such a

Ned Dulin and Emps Vaughn will be arrested this week and we will then hear their side of the story and of his death. He left a comfortable givo lt to our readers.

Eninred into rest eternal, Nov. 2d. 1831, in Hopkinayllie, Ky., in the 56th year of her age, Mary E. wito of W. W. Ware.

In writing of a character so perfect, so beautiful and complete, one feels as though he were standing on holy ground. Truly, her life was consecrated to the service of God. Hor apolicas purity, modest picty, and christian charity, pisced her on a podestal, from whence hor light did shine before men." Entirely forgetful of seif, her generous benevolences were extended to all others. There is no noul of the ingenuity of man to perpotuate her manie, for the memory of her good works stands a monument imperishable. Henceforth, sho will enjoy that crown which was laid up for her," who lived a life of rightcousness, and "died in the faith."

birthday of Miss May Waro. The oight was inclement but this did not all electric with the attendance, or with the onjoyment of the eyeulug. A most delicious supper was aproad for the guests by Miss May and ber sister Miss Anule.

As will be seen from a card in another column of this paper, Mr. J. W. Downer, is a candidate for election to the office of city attorney, which he now fills by appointment. He has been filling out the unexpired term of Hon. James Breathitt, resigned, and bas made a very efficient and faithful officer. Mr. Downer is in writing of a character so perfect,

### EXCHANGE SCINTILLATIONS.

Why is Guitean like an unhinged gaie? Because he ought to be hung.

fi's just been discovered that the Postmaster General is one of the

smart poetical writers say "Time rolled ou," and if it isn't round hew could it roll?—[State Jonnal.

A man who does business on credit is like the little boy who stands in a

gersell because of religiona scruples. He will dealtless object to being hanged by any one hat a church deacon.—[Breckinridge News.

A young lady of Allen county was married last week to a rough customer named Remus Morse. And she will he a lucky weman if she does not hereafter endure suffering from Re. Murse.

-[Breckinridge News. > ] [

It was Lucretia Mott who in the resente long ago 'called Hannibal Hamlin 's darling angel.' And ever sinca Hannibal has held himself in readinesss to make affidavit that 'Cretia is the suther of the best bon Mott of the ccatury .- [Breckinridge]

Rev. Jnc. W. Zimmerman, late editor of the Danville Tribune, and a minister of the Northern Methodist church, has prostituted himself and degraded his sacred calling by accepting the position of government mud-clerk of a whisky distillery .-- [Breekiuridge News.

The Loeisville leamster, John Redman, who was found in his employer's stable Saturday oight with his skull fractured, was not kicked by a male, fractured, was not kicked by a male,

Mr. Mielrael McCnnn, s well known and popular manufacturer of Syraense;
N. Y., writes: I felt generally delibitated and my health failing me. I tonged and prayed for an iron consti-tutios, that I might be rid of the many anneyances of ill-health. But dys-pspsia and winary treables, attended by nerveus prostration, lead gotten hold on me, and I felt my time had come. Nothing sesmed to give me any permanent relief. Finally I haped to see an advertisement of Brown's Iron Bitlers. 'Bless' me, says I, 'that's just the medicius for me precisely.' And so it was. By the powers of old Ireland, it hus cured ma of all my tronbles and given me a ceastitution of Iron."

### Deaf Hunter's Politics.

During the war they had down in Florida a strewd old fellow known, as "Deaf Hunter." Everybody know him. He was deaf as a post, and through his dealings and his shrewthrough his dealings and his surew-ness he mansged completely to hide his sympathy for either party during the war. It was suspected, however, that be was with the Confederates, at

Every menace had been tried by the Every menace had been tried by the Union officers to procure from him some admission of prefetence, bat of no avail. When reduced to a corner, he never lacked in expedient to get himself out. But one day a Union captain put up a bet that he could tap him and get his secrets He accordingly went up to Hunter's and skirmished around, but not one hint could he get. He would be dent to questions that were unpleasant, and the inquirer that were unpleasant, and the inquirer was haffled. At last there came two large bull-dogs into his storo, fierce fellows, and exactly alike. "Fine dogs, those, yelled the inquis-

itor in his ears. "Yes," was the reply.

"What are their names?" in the same lond tone.
"Wnll," said the old man, "I call one Bennreauguard and t'other Mc-

"You do," shouted the inquirer; "which one do you like the best?" "Hey?" querisd Hunter, putting down his ear ..

"Which do you like the best?".
"Oh, Wall," said ho, with a twin kle in his eye. "both on'em is sangly ns the devil."

The Captsin paid the bet. The next day he was drinking in Hunter's store, and taking advantage of the old man's deafuess, proposed n

### Stopping His Paper.

stream and throws water upon the stream and throws water upon the bank to make it slippery for another little boy to slide down.—[Hurtferd Herald.

Guttean's piety is pronounced. He discentianes his subscription and "stops his paper," we remind him of n good anecdote of the late Hornes Send to Mrs. E. Plukham 233 Western & Avanue. Tynn. Muss. for New York Trionne. Passing down Nawspaper Row, in New York City, one moraing he niet one of his readers, who exclaimed:

"Mr. Greely after the srticle you poblished this morning Is intend to

stop your psper!"

'Oh, no," said Mr, Greely, den't do that." "Yes, sir, my minid is made up; 1

but the angry subscriber was not to be appeared, and they separated.

Late in the afternoon the two met again, when Greely remarked:

"Mr: Thompson, I nm very glad you did not carry out your threat this morning."
"What do you mean?"

"Why, you said you were going to stop my paper.".
"And so I did; I went to the office and had the paper stepped."

"Yen are sarely mistaken. I have jast come from there, and the press was running and business was

ing." Sir," said Thempson, very pomp

as was at first supposed, but was struck with a club by seme one. How running of my paper, and knack me leelish suyway to think he was kicked by a muls whea his bend was still on hlm.—[Dittoe, didn't set the machinery of this world in metion, and you can't stop it; and when you are underneath the ground

"My sen," said a Mulberry-stree mether, "go dewn to the grocery and get me a can of condensed milk." "I should squirm to wiggle," an

swered the boy." "Go en, I tell you, "I should limp to jump."

"If you don't go this instant I'll ell your father when he comes home."
"I sheuld hlow to tuttle." "Never mind sir." "I should whoop to squeal." - When the father camo the mother

said: "I wish that you'd whip Tom. hiossoias that wa, wonder Raymond the postlyely refused to go down to can bear to teach school at all now. the grocery, and told me that I was n tattler sud that he would jump on me if I didu't mind." "Tom."

"Yes, sir." "What was that you said to your mother?" "Never said nothin'."

"Then I am a story toller and you are n pretty boy," and the mother.
"Look here young man, if you don't behave yourself I'll thrash you. Do you hear?"

"I should titter to snort. "Come here to me, sir' snd the young man agnirmed to wiggle, limn-ed to jump, blew to tattle, whoeped to aquenl and tittered to scort.

### A Straight Man.

It used to be the fashion with loc-inters to have the Mayor of the town or some other prominent citizen in-troduce them to the audience as a send off, and upon one occasion in the send off, and upon one occasion in the years goue by when the temperance tecturer struck a certain towe in Michigan not over fifty miles from Detroit the Mnyor stood up before the andlence nod bognn:

"Ladies and—and—ladies—and—

"Geutiomen," whisperod the lec arer. "Yes, of coarse-indies and gen-

tlemen, I have the honor to—to—I have the honor to—to—."
"Introdace," again whispored the lecturor.
That's the checker—I have the honor to introduce you to the notor-

fibre old man's dealues, the twotenst.

"Here's to old Hunter, the twosided old villian; may be be kicked to
death by males, and his body be sunk
in the sen's hundred fathoms deep.
May no prayer be said over him, and
may his blind soul wander rayless
through all eternity."

There's to old Hunter, the twocontd r member a mane two minucontd r member a mane two minucontd r member a mane two minutenst lit's of no account, however. He wander have been playing poker all
the afternoon and I give you my
word that he is as straight as a ten
foot polo. Git up, Judge, and shoot
off your lecture." "Sinkins," was the reply.

"I have the honor to introduce," he repeated, as he walked back; "the honorable Mr.—Mr.—hang it, I never could r member a name two minutes is the first own to be a f

### Defaoed Coins.

There is a lot of mutilated coin in circulation just now which most people have n vagee iden is not worth faco value. The people are correct in this, but very little attention is paid to it, and very few people refuse a dince with a hole in it or a quarter; the I mis a old physician, and linve rices which suffer the most, probably lost many of my youthful prefindices.

Learning of the great good done by a certsin remedy in restoring to robust keep a dime which has been bored by some mischevious party, having heard sweeps from several chronic somewhere at some time that is the internal company to the property from several chronic somewhere at some time that is been bored by a somewhere at some time that is been bored by a somewhere at some time that is been been bored by a somewhere at some time that is been bored by a somewhere at some time that is been bored by a somewhere at some time that is been bored by a somewhere at some time that is the beautiful time. somewhere, at some time, that is lacky.

Somewhere, at some time, that is lacky.

Somewhere, at some time, that is lacky.

The quarter-of-a-dollar piece, on actions with her parents, nary, digestive and urinary organs, count of its size, is frequently utilized and whom I was mable to benefit by ingenious parties for sleeve buttons with my most careful treatment. ### Corrected Pronunciations.

A correspondent in Buffalo, N Y, saks us to correctly prouounce several words, as follows:

Bronehitis is correctly pronounced bron-kl-tis, not bron-ke-tis, as some people persist in pronouncing it. Asthma Is not proconnecting h-mr, as many people think and speak, but

Tucson, the espital of Arlzonn, is correctly prunouticed Tu-son, the cooling slient.
Tilera, a Spanish Mexican anme, is

prohounesd To-hay-ass. Florida is correctly pronounced Arknusas, by declaration of her State Legislature, is pronounced Ark-

ansaw, Place is Pe-nos, signifying pines.

Phos is Pe-nos, signifying pines.
Bijou is properly pronounced bizh-n, signifying a jewel.
Ceucjos is the unme uf a county in Colorado, and its pronunciations is Co na-hos.
Gandalupe, a river in Spain, is pronueunced Wha-ds-loo-pe.
San Jose is correctly pronouoced

Suite, for suite of rooms, is correct-y-pronounced suite or "tweet," as he utterer prefers. Nelther is nee-ther or inl-ther, as a

ersen necepta the American or the English rule. San Justi is pronounced Snn Whan. Jenquin (Miller) is pronounced Wakeen.—! Great West.

### SINKING FORK

Mr. Tsylor Boyd late of Kansas City, Mo., bus taken up his abode at home again. Wo extend him a cordial welcome and trust that in future our commanily will offer attractions enough to keep him among us. The air is so heavy with Orange

Some thickes went to Dr. Wood's pasture one night last week and stole one of his fine sheet; another time and took a pig.

Occasional.

### A Shagspearean Refusal.

Young Nubkios was quite anxions to marry a rich old gentleman's daughter for more substancial reasons than love and the old man suspected it.

The young man called one day to set-tle his claim; and said he:
"Mr. B., I love your daughter, tru-ly and well and she loves ms. I feel flattered by the compliment ui her love and I ask your consent to our being joined in holy wedlock.",
"Ahem, Mr. Nabkius, "hein! You

have no visible means of support?"
"No, sir."
"My daughter lins."

"Yes ,sir."
"Ahem, Mr. Nuhkine, ahem. In the words of the immortal Shakspeare Lay act this flattering janction to your soul, you cannot get her. And he didn't get her, hut he joined him-self to the idels sod has been at travellng "frightful example" for a temper-nnes lecturer :-- Stenbenvilla Herald.

### The Utter Aesthete's Return,

honor to introduce you to the hotor-lons—em, the honorable—the honor-sblo Mr.—Mr.——"

Here occurred another painful pauss, during which the mayor walk-ed oyer and ssked the lecturer his fhllowing answers, the queries for the mest part being implied: Had an awin jolly time. Browadid yon say? I think I'm not as brown as last year. Of course I attended all the hops, certainly. Why shouldn't I, flirt? Never saw so few eligible young men
